

## *Anglo-Turkish Society Newsletter no: 6- Winter 2018*

We welcome your suggestions for future events, both lectures and trips where perhaps you can take the lead and help us to grow. To continue our work we do need your continued support and please ensure you continue to update your [memberships](#) and spread the word. Thank you.

### Upcoming Events:

Places are limited for our events, so please book early to avoid disappointment (the Ian Hodder lecture is likely to be sold out in possibly a week's time). In order to increase our socialising time we have decided to open the doors of our RAI venue early so we can have refreshments before the events and feel free to bring your snacks to share!

Click links in blue text to reveal further information on individual entries.
